REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

State — 410 fires — 361 acres burned

District — 90 fires — 135½ acres

Town of Tilton — 5 fires — 3 acres

Town of Northfield — 7 fires — 5 acres

TILTON-NORTHFIELD RECREATION COUNCIL

1972 Annual Report

The end of '72 completes 17 years of organized activities provided by the citizens of Tilton and Northfield. The accomplishments this year include:

A. Center Activities: During Christmas week 1971 a fire at the Tilton Town Hall curtailed our Center activities. In February we were able to resume our activities thanks to the T-N Masonic Lodge. We were allowed to use the basement of their Lodge Building on West Main Street from February to June. The Center was open three nights weekly from 6:00-9:00 P.M., Saturday afternoons from 1:00-4:00 P.M. and every other Saturday night from 7:00-10:00 P.M. for Teen Council dances. Most of the equipment has been repaired or replaced enabling us to provide a program for the young people of the communities. Ping-pong, pool, tumbling, weight lifting, bumper pool, chess, checkers, and assorted card games were available.

The Teen Council also sponsored movies, dances, and special Holiday programs on some Saturdays.

Contests were held in the spring which concluded with a family supper, and trophies were presented to the winners.

B. Swimming Program: Two 4 week periods were provided during the summer months. Three 2 hour sessions were held daily Monday-Friday and included courses from beginners to junior lifesaving. Five local youngsters were employed in this program. The program was concluded with a picnic, contests were held and prizes were awarded.

C. Playground: For 8 weeks under the direction of the Recreation Council and Playground Co-ordinator

Mrs. Judith Farr with the help of ten local teenagers, various arts and crafts, indoor and outdoor games were provided for 3 hours in the morning daily Monday-Friday. Weekly bus trips or special events were usually held on Fridays.

D. Neighborhood Youth Corps: A program, designed to employ local teenagers and paid for by the Federal Government, was supervised by the Recreation Council. Eleven teenagers were approved for various jobs by the Regional Co-ordinator. The Northfield Police Department had a girl doing office work while the remainder worked on the summer playground program, at local schools, and special town service projects. We have received recognition under this program since we provide a variety of services for the community and the young people employed.

E. Ski Program: The Council sponsored two 5 week ski programs at the Highlands Ski Area on Saturday mornings with a bus leaving at 8:00 A.M. and returning by 10:30 A.M. from the elementary school area. Approximately fifty youngsters participated in this program. On Thursday afternoons at 3:00 P.M. lessons were provided for a group of teenagers. Transportation for the Thursday classes was provided by Mrs. Peter Clark. The Council coordinates the Ski Program thereby obtaining a low cost group rate which the participants pay for themselves.

F. Babe Ruth Baseball: The Council sponsored a ball team playing in the Laconia League. The boys had an opportunity to play "under the lights" against good competition; some also had the opportunity to play on the All Star Team.

G. Special Events:

1. Red Sox ballgame and a visit to the N. E. Aquarium

was held in late August. Two busloads of youngsters had a full day's outing.

2. Halloween party, initiated by the Tilton and Northfield Police Departments, the Selectmen, Teen Council, Recreation Council, and the Tilton-Northfield Fire Department and co-ordinated by Walter Howard was an overwhelming success. All took part on this night of spooks and goblins. A costume contest, a parade with sirens and lights, and a walk through the fun house brought an estimated 450 children to the Winnisquam Regional High School. Prizes were awarded. Beverages, apples, doughnuts, and candies were distributed to all.

Later in the evening a live band at the High School played to a group of 350 teenagers, who also had free beverages and foodstuffs. Many thanks to the many merchants, companies, individuals, and organizations who donated funds or products to this happy occasion.

3. Christmas Party. The Teen Council played host to a group of 100 youngsters at the Northfield Town Hall. A movie was shown and refreshments were served.

"Thank you" to those individuals and groups who have helped the Council provide activities throughout the year. Special thanks go to the taxpayers of our communities whose support continues to make recreational programs available.

Since the resignation of our Recreation Director in July the activities and programs have been co-ordinated by the active Council members. We will endeavor to continue to provide recreation for the youngsters of our communities.

All interested citizens are welcome to attend our regular monthly meeting, the first Thursday of every month. We do need volunteers.

The Library's badly deteriorated front doors were replaced this year. The interior of the building was completely rewired and new light fixtures, donated by Philip Rudd, were installed. The oil burner was overhauled. A 20 gallon hot water tank, donated by Levi Gilbert, was connected and piped to the wash room.

The so-called D.A.R. Room had a face lifting with new paint, carpet, light fixture and a radiator, donated by Warren Hill. The room is now the Librarian's office. Many hours of volunteer labor helped with these projects.

The Mary Osgood Children's Room was dedicated during the year to honor Miss Osgood who retired this year after 38 years of faithful service as Hall Memorial's Librarian.

By unanimous vote of the Trustees, Milton Ben Davis, who has given the Library generous and continuing support, has been elected Honorary Trustee of Hall Memorial Library.
